Defense Counsel's Remarks Meet Censure of Judge Mason Douglass as Trial Nears Close.

LIFE OF DEFENDANT AS

UNWRITTEN LAW CITED

Judge Douglass began his charge to the jury at 2:45 p. m. case given to the jury for their deliberation shortly before 4 p. m.

"The defense has been dragging a herring across the trail of justice," declared Sam Kelly, chief trial counsel, as he made the final statements for the prosecution in the Charles Rickman murder trial this-afternoon. The trial was slated to go to the jury as soon as Judge

Mason Douglass had given them their instructions at the close of Kelly's summation. The charges of the prosecution in the final arguments were the the defense had hedged completely from any mention in the trial of self-defense and had brought the "unwritten law" into the case to mis

Kelly further stated that the one person who could tell the whole story of the slaying of Loy Bodine, last June 5, was Rickman's wife, Kizzie. She, he said, could not testify against her husband, however without his consent, according to law, and that such consent was no The court recessed at noon following arguments by the thre
